**PLAN DRAWING ITEM**

2019 Inbound BHS Improvement Plans addition

**Submitted Questions**

- 1.) Are all the parts listed what will be in inventory?
  - a. Exhibit D lists all the parts in the Outbound In-Line BHS
  - b. Exhibit E lists all the parts recommended by ASI for RLAD to keep in inventory
- 2.) Is RLAD responsible for keeping inventory?
  - a. Yes, RLAD will purchase and maintain some level of the recommended spare parts onsite. The operator will provide a daily list of parts used after installation.
- 3.) Who maintains the system until the service contract starts?
  - a. RLAD maintenance is currently maintaining the inbound BHS and will maintain the outbound BHS if it comes on-line before a service contract is in place.
- 4.) How soon would RLAD like the service to start?
  - a. Proposer shall provide a general schedule including ability to start once NTP is provided.
- 5.) Who cleans the CBIS area?
  - a. RLAD will be responsible for cleaning the CBIS area.
- 6.) Is there more storage by outbound baggage conveyor?
  - a. There will be a caged area available, it doesn't have climate control like the CBIS area storage.
- 7.) Is the office space able to be used as a break area as well?
  - a. Yes
